SAFETY INSPECTION INFORMATION

A safety inspection, such as a Gas Check, must be performed by the participating dealer prior to the submission of any rebate application. An appropriate safety inspection consists of an on-site inspection of an eligible installation by the participating dealer. The purpose is to verify that the propane gas system, including all equipment, is installed in compliance with the appliance manufacturer's installation instructions and all applicable LP gas codes and regulations adopted by the authority having jurisdiction. A copy of the Dealer's safety inspection form, signed by the contractor or homeowner, must accompany the rebate application.

A copy of the safety inspection form should include 1) a leak test; 2) a pressure test if required by applicable laws, rules and regulations; and 3) a flow and lock up test on the regulator[s].

Date of Safety Inspection: _____

DISCLAIMER

Submission of the rebate application form constitutes a representation on the part of the consumer and participating propane marketer that the work shown on the form has actually been completed. A safety inspection must be performed by the participating propane marketer after the installation of each new qualifying appliance and the result of that inspection must accompany the Application form. The safety inspection for qualifying appliance installations must, at a minimum, include the following: 1) a leak test; 2) a pressure test if required by applicable laws, rules and regulations; and 3) a flow and lock up test on the regulator[s]. The propane marketer agrees to comply with all laws, rules and regulations governing the installation of the qualifying appliance and with the manufacturer's installation instructions. The Pacific Propane Gas Association (PPGA) assumes no responsibility whatsoever for the installation, inspection or testing of the qualifying appliance or any associated gas system and, by issuing a rebate, makes no representation, warranty or guarantee regarding the qualifying water heater or the associated gas system. PPGA disclaims any liability for any personal injury, property damage, business losses or other damages of any nature whatsoever, whether special, indirect, consequential or compensatory, directly or indirectly arising from the installation of the qualifying appliance. I certify that this propane appliance was purchased for installation at the above address. I am aware that copies of completed safety inspection form and a receipt of purchase are required at the time of submission of the rebate form for the rebate to be processed. I am further aware that no check will be issued until all program requirements have been met. I **understand that it is my responsibility to install the appliance to meet all applicable codes**. All rebates are subject to availability. This is a limited offer and all requests will be processed on a first come, first served basis. PPGA has first rights on interpretation of all terms and conditions pertaining to this offer.
