

IMPORTANT NEWS!

Starting January 1, 2026, ZIMMER and single-core TORREXX vaporizers will include a TWO-YEAR warranty

Double the coverage, with the same industry-leading reliability. This enhancement reflects Algas-SDI's continued commitment to being your "Chosen First" supplier.

Why the upgrade?

Because **9 decades of engineering excellence** have taught us one thing: our products are built to last, and now our warranty reflects it

We are **doubling our standard coverage with 100% confidence** in our engineering, removing barriers to your operational success.

WHAT THIS MEANS FOR YOU

-  **Extended Operational Peace of Mind**
 Increased protection for your investment, helping minimize equipment worries while you focus on your business.
-  **Priority Technical Support**
 Warranty holders receive an additional year of *front-of-the-line* access to our Customer Service Technicians for faster resolution.
-  **Priority for Replacement Warranty Parts**
 Prioritized parts allocation from our inventory for an additional year, shipped via the fastest available method to minimize downtime.
-  **Proven Dependability**
 In an industry where 12 months is standard, 24 months is our proof that ZIMMER and TORREXX are the most dependable vaporizers in the industry.
